14th September 2016

Dear Parents/Carers,

This weekend your children will be bringing home their first set of homework. Every child will have both Literacy and Numeracy work each week. We are planning to use Literacy and Mental Maths workbooks as we did last year.

Your child should NOT write in the workbook.

At present we are ordering some more stock of the books. We would like to offer parents the opportunity to purchase their child's workbook which they can then do the homework straight into each week. The cost is £3.50 per book: so if you were to purchase both Literacy and Maths workbooks it would total £7.00. If this would be of interest to you, please complete and return an envelope with the form below by Monday 19th September 2016 with monies enclosed. When your child finishes their workbook they will progress to the next level which school will loan as normal. As we are starting off from where we stopped in July, children may be starting part way through a book so please bear this in mind when you decide to purchase.

Should you decide NOT to buy the book we will issue your child a school copy and an exercise book to do the answers in which is to be done in the same format as in their class books. School copies are not to be written in or damaged. If these get lost or badly damaged, we will have to request from you the cost of a new replacement (£3.50) which will be returned to school at the end of the school year. All school copies will have a code on them which is kept by the teachers and will be checked upon their return in July.

For the coming couple of weeks, while new book stocks arrive, we will give a photocopy of the relevant page to work on if you are purchasing a copy of the book. All children should have a copy of the textbook – either their own or school's – before October half term. Sheets will be issued on Friday and are to be handed in on Tuesday. At your Meet the Teacher meeting, our expectations of homework were outlined – if you have any questions about your child's homework please approach the class teacher in the first instance.

Yours sincerely,

Mrs. Neville
Assistant Head Teacher

Child's Name: _____

Class: _____

I would like to purchase a Literacy/ a Maths/ both Homework workbooks (*delete as appropriate*) and have enclosed £3.50 / £7.00 (*delete as appropriate*).
