## PARENTS' EVENING

3<sup>rd</sup> March 2016

Dear Parents,

I am inviting you to attend our parents' evening to discuss your child's progress on **THURSDAY 17<sup>TH</sup> MARCH 2016**.

A close, co-operative connection between parents and teachers is important in the educational development of children. I hope that as many of you as possible will take this opportunity to consult with your child's teacher about their academic attainment. You will also have the opportunity to have a look at some of the work your child has been doing recently and discuss their progress since you last met.

This opportunity is for parents or carers of children only. I ask you to please make arrangements for other children to remain at home as there is no provision at school to look after children during the parents' evening. Appointments will be for a maximum of five minutes for each pupil in order to accommodate every family.

In order that you are able to see the teacher connected with your child/children and to keep the waiting period to a minimum, please complete the tear off slip below and return it to your child's/children's teacher as soon as possible.

Please indicate which **time bracket(s)** you will be available within rather than a set time. Certain times are often very popular and as such we cannot take requests for a specific time.

It is only necessary to complete one form per family. If you have more than one child, please just note their names & class on the reply slip and the class teachers will endeavour to arrange appointments around each other.

Thank you for your co-operation.

Miss. J. Tumelty
