February 2015

Dear Parents,

We are excited to announce that a new school website will be launch very shortly. The web address will remain the same however you will see noticeable differences in its look and organisation.

School life is very busy and changes occur quickly. Due to this we are always looking at the best way to communicate with you. On the home page will be a twitter feed which we will use to put all immediate news on as well as reminders. If you wish to receive updates to your phone our twitter feed is @stgilbertsrc

On the website will be an online calendar with upcoming events that we hope may help you know what is going on in school.

We are always open to suggestions about information you would like on the website so once you have had a chance to review the new site please get in touch.

Yours sincerely,

Mrs C.Fox
