## General Information

Dear Parents/Carers,

To ensure that all children have a settled start to the day, we would kindly ask you to say goodbye to your child at the door and then leave promptly via the gate, as several children are becoming upset when they see their parent standing at the window or the double doors waving to them. Therefore, as of Tuesday 3<sup>rd</sup> May, the blinds at the nursery windows will remain closed until 9.00am.

Please can you check your child's pockets in the morning as we are having lots of small toys and money being brought into school which again is causing upset if they become lost or broken.

Library books, name writing books and song books must be returned to school every Thursday so that they can be changed and sent home on Friday. Every child's target is to write their first name by the time they leave nursery so we ask for your co-operation in supporting your child with their name writing at home.

Lastly, there are several nursery fund payments outstanding. Nursery fund is £1.00 per week and can be sent direct to the nursery in an envelope or alternatively to the school office.

We hope you have a lovely Bank Holiday weekend,

The Nursery Team.
