Children's Profiles Consent Form

16/6/17

Dear Parents/Carers,

In the Early Years Foundation Stage, we have in place detailed individual learning journeys for all children which document, evidence and monitor their learning and development progress. The learning journeys have been completed electronically, using iPads.

In all children's learning journeys, we include observations of your child at play, photographs and other information. The photographs include individual and group play. It is likely that some of these group photographs will capture other children at play, so we therefore ask that you give permission for any photographs of your child involved in group play to be included in other children's learning journeys, should they be sent to other parents.

If permission is granted for the sharing of images across learning journeys, these images cannot be shared with others or publicised in any way without the explicit consent of the parents/carer whose children may be included i.e. any social networking site.

If everyone is agreeable to the above, we will be able to e-mail your child's learning journey to you, at the end of the year.

Please fill in the slip below and return to school as soon as possible.

Thanks,
Mrs. Winterhalder
