5<sup>th</sup> May 2017

Dear Parents and Carers,

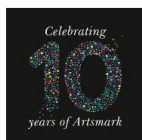

Recently, school hosted an information evening for parents of Year 5 and 6 children with regard to RSE in school, in particular the way the topics of puberty ( Y5 and 6) and reproduction (Y6) would be taught. For parents who could not attend this meeting, there will be a further opportunity to see the videos and resources school uses on Monday 15<sup>th</sup> May at 8.30am.

The program on puberty will begin to be taught on Wednesday 17<sup>th</sup> May to both year groups – boys and girls will be taught separately. Then, on Wednesday 14<sup>th</sup> June, the RSE lessons on reproduction will be taught to single sex groups in Year 6 only.

We thank you for your continued support and should you have any further questions, please do not hesitate to speak to your child's teacher.

Yours sincerely,

Mrs J Stevens  
Acting Deputy Head
