Dear Parents/Carers,

As part of the Music Curriculum this year, the children are going to be learning to play the recorder. The recorder is a popular instrument for children to learn because the instrument itself is inexpensive, very portable and children can learn to make music relatively quickly. We have some recorders in school, for the children to use, but we would like to encourage the children to have their own. They can use them in school and then bring them home to practise.

The recorders cost £3.00. If you would like to buy a recorder for your child, please fill in the slip below and send to school with the payment in an envelope. We can then order them as soon as possible.

Mrs. Killeen
